### Sample Interview Follow-Up Letter

Dear Mr./Ms. \_\_\_\_\_:

Thank you for meeting with me this morning to discuss your summer bookkeeping position. I enjoyed our conversation, and I am very excited about the possibility of joining your team.

As I mentioned during our conversation, I believe that my previous experience will allow me to make an immediate contribution in this role. In my last position, I ran a busy office which entailed customer service, report preparation, and bookkeeping. I learned how to work collaboratively and efficiently, and handled my responsibilities with accuracy and attention to detail. I also consider my Bachelor's Degree program in Accounting to be very relevant, as it entails both basic accounting procedures and extensive use of Excel, which I understand to be requirements of your position.

As requested, I have attached a list of professional references. I look forward to hearing from you regarding this exciting opportunity; if you have any questions, please don't hesitate to contact me at (978) 123-4567. Thank you again for your time and consideration.

Sincerely,

Jess Smith

### Sample On-Campus Interview Follow-Up Letter

Dear Mr./Ms. \_\_\_\_\_:

Thank you for the opportunity to interview with you yesterday during your visit to UMass Lowell. The management trainee program that we discussed sounds both rewarding and challenging, and I look forward to your decision regarding an on-site visit.

As I mentioned during our conversation, I will be graduating in May 2015 with a Bachelor's Degree in Business Administration and a concentration in Management. Through my internship experience and academic program, I have gained skills in project management, customer service, and professional communication. I feel strongly that my experience and education would complement the management trainee program at Company Name Inc., and am very excited about the possibility of joining your team.

I have attached a copy of my academic transcript and professional references, as requested. If I can answer any additional questions, please don't hesitate to contact me at (617) 123-4567.

Thank you again for taking the time to meet with me. I look forward to speaking with you again.

Best regards,

Jake Doe
